

The Shoe Game

A fun game to play at your reception or bridal shower! Guests get to know you and your partner by watching you answer questions about each other - without knowing the other's answers!

How to play:

The bride and groom sit back to back in the middle of the dance floor and remove their shoes. Each person holds one shoe from the bride, and one shoe from the groom. The MC announces the questions, and each person holds up the shoe from the person that the question describes most. Lots of laughs and "aww" are sure to happen from your guests, especially with the great list of questions below!
